

Grimbleby Coleman Internal Retention Storage Policies

Certain information will be retained by our office for select periods of time. Generally, we keep our clients' records that support an item of income or deductions on a tax return until the period of limitations for that return runs out. The IRS can audit records up to 3 years after filing, and in certain situations, they can collect taxes up to six years later. Please read the following information for details. Should you have any questions, please feel free to contact our office.
